

MELTON CONSTABLE PARISH COUNCIL

STREET LIGHTING POLICY

The intention of this policy is to find a formula which allows the Clerk and / or the responsible Councillor to authorise Westcotec to survey reported fault and to carry out unexceptional and appropriate repairs without the need to wait upon the approval of the full Council.

The Clerk and / or the monitoring Councillor is authorised to have Westcotec survey an faults with the lighting that have been reported to them and to have Westcotec carry out unexceptional and appropriate repairs up to the anticipated cost of £100 for the repair without consulting the Council, such commission to be reported to the Council in the course of the next meeting.

This policy was adopted at the Parish Council meeting on 10th April 2018
